**Tagging Services for filing with
Ministry of Corporate Affairs (MCA)**

About us

DataTracks is a global leader with over 18 years of experience in providing a broad range of Compliance Reporting Services and Solutions, to seven of the top ten accounting firms, and over 23,400 enterprises and helped prepare more than 348,000 reports worldwide.

With presence across 26 countries, DataTracks helps filers to comply with the standards of regulators such as the MCA - India, SEC - USA, HMRC - UK, Revenue - Ireland, various EU regulatory authorities, ACRA - Singapore, SSM - Malaysia, and CIPC - South Africa.

As one of the first companies to be listed as an XBRL vendor on MCA's website, DataTracks always strives to help filers stay ahead of the curve with respect to Compliance Reporting.

HOW IT WORKS

Finalize your Financial Statements in I-GAAP / IND-AS and leave your XBRL conversion to DataTracks for Error Free Outputs!!!

Log on to our secure online portal to place your orders for XBRL services.

- Register with us as a user.
- Set up the entities (companies) for which XBRL conversion is required.
- Select relevant taxonomies and turnaround choice.
- Pay and upload finalized audited financial statements.
- Download pre-validated error free XBRL output on scheduled turnaround date.
- Review and submit to MCA along with relevant AOC forms.

HOW CAN DATATRACKS HELP YOU?

Preparing XBRL reports can be both a time consuming and complex task. Companies can seek professional expertise for converting your financial statements to XBRL reports for filing with MCA. Our dedicated experts deliver timely and compliant XBRL reports.

WHAT DOES DATATRACKS DO?

We receive your inputs as uploads into our webportal after you register as a user. Your inputs can be fully prepared financial statements as Word / Excel documents or PDF files. We convert your financial statements to XBRL format, for you to file with MCA.

WHO CAN USE DATATRACKS?

- Companies Listed in NSE & BSE
- Chartered Accountants, Company Secretaries
- Multi National Enterprises
- Subsidiaries of Foreign Companies

WHY DATATRACKS?

Being experts in the XBRL domain for 18 years, DataTracks can convert your IND-AS/I-GAAP accounts quickly thereby assisting you in timely submission to MCA.

DataTracks provides fully assisted services in selected regulatory regimes where inputs provided by clients in traditional formats are converted to HTML, XML, XBRL or iXBRL formats (tagged with most appropriate taxonomy element of applicable accounting standards).

Why our clientele choose to work with us?

- Superior quality, error free outputs
- Saves time and effort
- Quick turnaround (as early as 3 days)
- Competitive costs
- Best services and support
