Quick Turnaround | Affordable Cost

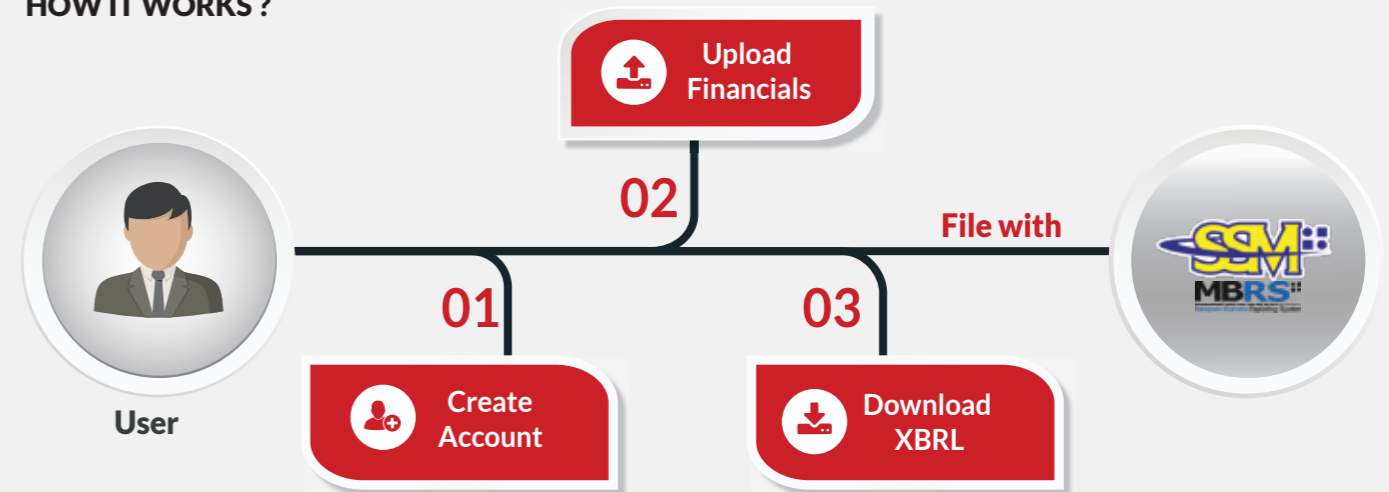

XBRL CONVERSION SERVICES

DataTracks helps Corporates and Secretaries in practice in converting Financial Statements to XBRL format. Since SSM mandated MBRS in 2018, DataTracks has been helping several Corporates and Secretaries in practice with this requirement.

Our team of Accountants who are trained in Malaysia FRS and other local GAAP has pioneered the art of generating high quality XBRL files acceptable by SSM without any flaw.

Customers can place their orders in 3 simple steps and has the flexibility to choose the turnaround time. Additional changes to the Financial Statements are done at no additional cost. Our team would be in touch with clients for any missing mandatory information and ensure consistency between prior year filings and adhere to SSM's best practices with XBRL financial statements.

HOW IT WORKS?

Questions

HOW OUTSOURCING CAN HELP YOU?

Ensuring XBRL accuracy can be both a time consuming and complex task for Directors. In order to devote time to their core activities, companies can seek professional expertise for preparing XBRL reports for filing with SSM's MBRS. Our dedicated experts deliver timely and compliant XBRL reports ensuring correctness and completeness of information.

WHAT DOES DATATRACKS DO?

We receive your inputs as uploads into our website after you register as a user. Your inputs can be fully prepared financial statements as Word® documents or PDF files. We prepare your financial statements in XBRL format, for you to file with SSM's MBRS.

WHO CAN USE DATATRACKS?

Companies, Practicing Secretaries and Accounting Firms who do not want to invest time in XBRL preparation, SSM's software or in accounting expertise required to work with Malaysia FRS or do not have technical expertise required to prepare XBRL documents can use the services of a professional XBRL tagging company like DataTracks.

HOW MUCH DOES IT COST?

Our services meet your filing requirements at competitive rates. Please refer to below price chart.
